

TAKARA RAMEN Inc.

SAUCE - 1

Sauce is one of the important ingredients to bring your ramen bowl together. Our sauces are free of preservatives or artificial sweeteners: you can enjoy natural umami flavors. There are infinite varieties to make your own special bowl with pairing our stocks and sauces.

C-Sauce: Soy sauce base, infused with dried sardines.

D-Sauce: MSG free soy sauce.

E-Sauce: Pork based soy sauce. Great for Chuka Soba(Chinese noodle soup), Ie-Kei Ramen.

F-Sauce: Basic and very versatile soy sauce. It doesn't interfere with flavors of soup base.

G-Sauce: Soy sauce for Jiro-style Ramen. Our G-Sauce has a characteristic flavor and it goes very well with Jiro Ramen.

S-Sauce: Salt sauce made from kombu seaweed and fish sauce.

T-Sauce: Fish based tsukemen(dipping noodle) sauce. You can easily make flavorful rich tsukemen sauce with our T-Sauce.

Y-Sauce: Mild soy sauce. It doesn't have a distinctive flavor it can be used in many types of Ramen. Our Y-sauce is a versatile mild sauce.

Miso: We use more than 20 ingredients to make our miso creating a complex and rich flavor.

SAUCE - 2

Sauce is one of the important ingredients to bring your ramen bowl together. Our sauces are free of preservatives or artificial sweeteners: you can enjoy natural umami flavors. There are infinite varieties to make your own special bowl with pairing our stocks and sauces.

Spicy Miso: Several spices are added to our original miso, giving your ramen a nice spicy kick.

Spicy Booster: This spicy sauce contains the hottest pepper in the world. It's very potent hence you need only a little bit. The sauce gives your ramen a "clean" spiciness without interfering other flavors.

Black Garlic Oil (Mayu): The sauce turns ramen soup beautiful black. Rich garlic aroma, flavor and the visual impact are nice additions to your ramen bowl.

Layu: Spicy oil with chunky garlic and red pepper. Nice addition for a touch of spiciness and aroma. This sauce is used not only for ramen but almost anything.
